Full Job description

Griffing & Company, P.C. is an established, full service, CPA firm in Sugar Land. We are searching for someone motivated to join our team as a tax manager experienced in partnerships, and high net worth individuals. This is a technical tax manager position. **This is not an entry level position;** at least 9 years of experience is required. Previous tax experience in a small to mid-size CPA firm is a plus. However, we do have National firm alumni that are successful members of the team.

Office Culture

Our office fosters a culture of "quality," that includes quality of work for our clients, and a quality of life for our team members. We pride ourselves on a "family" environment that identifies the individual and empowers each to hone skillsets to meet career goals. We work together as a team, in a friendly, relaxed setting, to get the job done and solve ever-changing business challenges to best serve our clients that are centered in the Houston metroplex.

Job Duties

- Review and/or prepare Federal and State individual, corporate, partnership, fiduciary, gift, and non-profit tax returns however with a focus on partnerships.
- Research complex tax issues.
- Prepare or review tax planning engagements including meeting with clients on results and ideas.
- Represent clients on IRS matters.
- Maintain client relationships and advise on various tax and business matters.
- Supervise less experienced team members.

Qualifications

- CPA
- Ability to work well with other firm members and clients.

- 9+ years of recent Public Accounting firm experience
- Critical thinking and ability to multi-task
- Diverse tax experience
- Working knowledge of QuickBooks
- PC proficient
- Excellent verbal, written and listening skills.
- Knowledge of CCH ProSystem's software is a plus.
- International tax knowledge is a plus.

Negotiable salary and benefits. Please e-mail your resume, salary history and salary expectations to info@griffing.com.
