Dear	 -

This letter is to confirm our understanding of the terms and objectives of our tax services engagement and to clarify the nature and extent of the tax services to be provided.

We will prepare the federal and requested state income tax returns for calendar year 2022 solely for filing with the Internal Revenue Service. We will also prepare, at your request, any gift tax returns that may be necessary. Our work is not intended to benefit or influence any third party, either to obtain credit or for any other purpose. You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that you have disclosed to us all relevant facts affecting the returns. We will not verify the information you give us; however, we may ask for additional clarification of some information. In addition, we rely on the accuracy of third-party records such as the gain/loss on investment transactions. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them. You will be required to verify and sign a completed Form 8879, *IRS e-file Signature Authorization*, and any similar state and local equivalent authorization form before your returns can be filed electronically.

Our services are not intended to determine whether you have filing requirements in other taxing jurisdictions than the one(s) you have informed us of. You are responsible for determining your tax filing obligations with any state or local tax authorities, including, but not limited to income, franchise, sales, use, property or unclaimed property taxes. Our responsibilities do not include the preparation of any returns that may be due to other taxing authorities.

If the returns prepared in connection with this engagement are filed using the married filing jointly filing status, both spouses are deemed to be clients of the firm under the terms of this Agreement. Both individuals acknowledge that there is no expectation of privacy from the other concerning our services in connection with this Agreement. We are at liberty to share with either of you, without prior consent of the other, documents and other information concerning the preparation of your tax returns.

It may become necessary to apply for an extension of the filing deadline if there are unresolved issues or delays in processing, or if we do not receive all of the necessary information from you on a timely basis. All taxes owed are due by the original filing due date. Failure to timely request an extension of time to file can result in penalties for failure to file tax returns, which accrue from the original due date of the returns, and can be substantial.

Our work in connection with the preparation of your income tax return does not include any procedures designed to discover defalcations or other irregularities, should any exist. If we discover information that affects your prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us to discuss the best resolution of the issue.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure

or emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

Certain nonpublic information about you may be disclosed to provide information to affiliates of the firm and non-affiliated third parties who perform services or functions for us in conjunction with our services to you. However, we will only make such a disclosure if we have a contractual agreement with the other party which prohibits them from disclosing or using the information other than for the purposes for which it was disclosed.

We will use professional judgment in resolving questions where the tax law is unclear, or when conflicts exist between taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible. However, any tax position taken must satisfy professional standards.

It is important for you to know that the law imposes a penalty if a taxpayer makes a substantial understatement of tax liability. For individual taxpayers, a substantial understatement is when the understatement for the year exceeds the greater of 10% of the tax required to be shown on the return or \$5,000. The penalty is 20% of the tax underpayment. It may be necessary to make certain disclosures in the return to avoid exposure to penalties.

We will discuss tax positions that may increase the risk of exposure to penalties and any recommended tax return disclosures with you before completing the preparation of the returns. You should also know that IRS audit procedures will almost always include questions on bartering transactions and on deductions that require strict documentation such as travel and entertainment expenses and expenses for business usage of autos, computers, and cell phones. In preparing your returns, we rely on your representations that we have been informed of all bartering transactions and that you understand and have complied with the documentation requirements for your expenses and deductions. If you have questions about these issues, please contact us.

Certain communications involving tax advice between you and our firm may be privileged and not subject to disclosure to the IRS. By disclosing the contents of those communications to anyone, or by turning over information about those communications to the government, you may be waiving this privilege. To protect this right to privileged communication, please consult with us or your attorney prior to disclosing any information about our tax advice.

Your returns may be selected for examination by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. If an examination occurs, we will represent you if you so desire; however, these additional services are not included in our fee for preparation of your returns and will be the subject of, and governed by a separate engagement letter.

Our fees for tax services will be based upon the applicable rates, plus out-of-pocket expenses, including computer processing charges. Hourly rates vary from \$80 to \$275 per hour depending on the individual providing the services. Our bills are due when you receive them. We may bill you on an interim basis prior to completion of this engagement, and are not contingent upon the completion of this engagement if caused by circumstances beyond our control.

We reserve the right to discontinue work on your tax return if payment is not received within 30 days of invoicing, for conflicts of interest, for those who provide tax information late, for those who refuse to take our advice and act unethically. If we terminate the engagement for nonpayment, or any other reason in this engagement letter, our engagement will be considered to be completed upon written notice to you and you will be responsible for all of our time and costs through the termination date.

In the case that we receive any of your original tax documentation, we will return it to you at the completion of the engagement. The remaining engagement files, other than a copy of your tax return, is our property. We will provide copies at our discretion and will require compensation for any time and costs associated with the reproduction.

In addition, should you have any foreign investments or income, that would require the preparation and filing of the following forms, you are responsible for disclosing this information to us.

#### Form 114: Report of Foreign Bank and Financial Accounts (FBAR):

If you have a financial interest in or signature authority over a foreign financial account, including a bank account, brokerage account, mutual fund, trust or other type of foreign financial account, exceeding thresholds, the Bank Secrecy Act may require you to report the account yearly to the Department of Treasury by electronically filing a Financial Crimes Enforcement Network (FinCEN) 114, Report of Foreign Bank and Financial Accounts (FBAR).

#### Form 8938: Statement of Specified Foreign Financial Assets

Filing Requirements: U.S. citizens, U.S. residents, and certain non-resident aliens that have an interest in specified foreign financial assets; and you meet the threshold reporting requirements to file a tax return.

Our liability for damages with respect to the services provided shall in no event exceed the charges paid to us for these services.

Any disputes arising as the result of this matter, engagement, or relationship shall be submitted to binding arbitration under the rules of the American Arbitration Association. Any litigation resulting from this engagement must be filed within one year of the completion of the engagement, except for our actions to collect payment for unpaid invoices.

If we are required to respond to a subpoena, court order, other legal process to produce documents for this engagement, you agree to compensate us at our hourly rates, as referred to above, for any time expended and all cost in connection with our response.

If we are obligated to pay any cost, settlement judgement, fine or penalty as a result of a claim by a third party, and if such claim is directly or indirectly related to inaccurate, incomplete or misleading information provided by you for this engagement, you agree to indemnify us and hold us harmless against such obligation.

In the event that it should become necessary to retain an attorney to collect any fee under this agreement, you agree to pay any attorney's fees and costs regardless of whether suit is filed. Payment of your account balance according to stated terms is a condition precedent to the performance of additional work on your account. Continued work on our part under any circumstances is not a waiver of this condition.

We appreciate this opportunity to serve you. If you have any questions or need any additional information, please do not hesitate to call.

Very truly yours,

GRIFFING & COMPANY, P.C.
